

And whereas the said Mayor and Aldermen have made such Assessment as is required by the said Act of the annual value of the respective houses, warehouses, counting-houses, shops, and other buildings, with their appurtenances, within the said City; and have fixed and determined, for the year commencing on the first day of the present month of March, the Rate to be paid by the respective occupier or occupiers thereof, for the purposes aforesaid, to be the sum of Nine-pence in the pound upon such annual value:

Now therefore the Mayor and Aldermen of the City of Hobart Town do hereby publish the notice hereunto subjoined of all houses, warehouses, counting-houses, shops, and other buildings within the said City which have been so as aforesaid assessed by them, by virtue of and in accordance with the provision of the Act of Council aforesaid, and of the annual value at which the same have respectively been assessed, and the amount of Rate payable on such Assessment in respect of each house, warehouse, counting-house, shop, or other building, and the name or names of the present occupier or occupiers liable to payment of the same.

And notice is further hereby given, that a Meeting of the said Mayor and Aldermen will be holden at the Municipal Council Rooms, on Thursday, the seventh day of April next, at ten o'clock in the forenoon, for hearing such Appeals as may be made from the Assessment so made, and the Rate so determined as aforesaid, and of disposing thereof as by the said Act is provided.

By Order of the Mayor and Aldermen,

ANDREW CROMBIE, *Town Clerk.*

STATEMENT of the Annual Value of the whole of the Houses and Buildings, with their Appurtenances, in the City of Hobart Town.

N.B.—The reference *passim* has been adopted for such notices as appear weekly in the *Gazette*, as well as for those headings, of a mere general description, which are constantly recurring, to obviate the inconvenience of setting down a superfluous mass of figures. In some cases, where the same notice is repeated for a length of time, the figures given denote the first insertion only.
